

You Are Good

Jonathan Nelson

Lord your people declare
You are good, you are good
Lord your people declare
You are good, you are good
Or lord we give you praise today
(You are good, you are good)
Lord we give you thanks, today
You are good, you are good
And your mercy let's declare it
And your mercy endures forever
And your mercy endures forever
And your mercy endures forever
Amen, amen, amen
Amen, amen, amen
Amen, amen, amen

Lord your people declare, today
You are good, you are good
Lord we give you thanks, today
You are good, you are good
(Come on help me say And your mercy, say it)
And your mercy endures forever
And your mercy endures forever
(You gotta believe it tonight)
And your mercy endures forever
(Say it)
Amen, amen, amen
(Come one everybody let's hear it)
Amen, amen (it's already done, sealed), amen
Amen, amen, amen

I need some real believers
To just release the worship in the atmosphere
If you know his mercy endures

And your mercy endures forever (somebody declare it)
And your mercy endures forever (forever, declare it tonight)
And your mercy endures forever
Amen, (somebody release it) amen, (somebody say it) amen
Amen, (release it in the room) amen, amen
Amen, (it's already done) amen, (it's already done) amen

[?] pray for more of the love of Jesus Christ
Come on Say it
Your love and mercy
Has captured me completely
With intention of your spirit
(Release it in the room say it)
Your love and mercy
Has captured me completely
Your love and mercy
Has captured me completely
Your love and mercy
(When it hit your belly release it)
Has captured me completely
(Somebody lift him up say)
Your love and mercy

Has captured me completely
(Background singing: what would we do without your love)
Your love and mercy
Has captured me completely
Your love and mercy
Has captured me completely

Lord your people declare, today
You are good, (yes you are good)
You are good, (somebody lift him up)
You are good (think about how good he's been to you)
You are good (you didn't deserve it)
You are good (but he's still been good to you)
You are good (you didn't deserve it)
You are good (but he's still been good to you)
(Anybody know what I'm talking bout)
I really don't deserve it, you are good
I really don't deserve it, you are good
I really don't deserve it, you are good
(You been good to me) you are good
(You been good to me) you are good
(You been good to me) you are good
(You been good to me) you are good
I really don't deserve it, you are good
Really don't deserve it Jesus, you are good
