

# Cappuccino Bar

Jonathan Richman

Well everyone was inside talkin  
in the cappuccino bar  
had to get outside rockin  
playin on the old guitar

because I couldn't stay inside talkin  
had to get outside rockin

well three cappucinos and three croissant  
jonathan jonathan wadda ya want?  
not me not me  
no I couldn't sit down no more

cause I couldn't stay inside talkin  
had to get outside rockin

in the cappuccino bar  
everybody sits there smilin  
I was among them too  
till I heard the call of the wild

and then I couldn't stay inside talkin  
had to get outside rockin

well three cappucinos and a honey bun  
jonathan jonathan you want one?  
not me not me

because I can't stay inside talkin

in the cappuccino bar

but I'm out there with my guitar

playin bang bang rock and roll

cause I couldn't stay inside talkin

had to get outside rockin

three cappucinos and three au lait

cause I couldn't stay inside talkin

because I had to get outside rockin
