

Couples Must Fight

Jonathan Richman

Couples must fight, couples must argue
from time to time, to clear the air
when all is calm, that's when it's hard to
but they must argue, couples must fight
Well my heart knows pain, my heart knows sorrow
My heart knows wrongs it could never make right
but for a better day tomorrow
couples must argue, couples must fight
my heart knows pain, my heart knows sorrow
My heart knows wrongs it could never make right
so for a better day tomorrow
couples must argue, couples must fight
