

## Just For Fun

Jonathan Richman

We got together just for fun  
With no obligation save maybe the one  
That if we were goin' to stay together  
We'd stay together just for fun

I just wanted to be with her  
Didn't want to be a warden or a prisoner  
So if we're gonna stay together  
We'll stay together just for fun

'Cause that's the lay of the land  
We got together on beach sand  
We got together just for fun

Yeah, yeah  
Fun  
Just for the buzz  
I never learned what commitment was  
We got together just for fun

It seems that girl well she had  
Somethin' I needed  
And whatever it was  
Well, I wanted it repeated

Cause it was fun  
Fun, yeah!  
A blue jean jacket in the sun  
We got together just for fun

Yeah, yeah  
Fun  
More like a rockin' trip  
And not so much like a relationship  
We got together just for fun

Yeah, yeah  
It seems that girl well she had  
Somethin' out for me  
And whatever, whatever it was  
It had to be

Fun  
Fun, yeah!  
A blue jean jacket in the sun  
We got together just for fun

Yeah, yeah  
Fun  
More like holdin' hands  
And not so much like future plans  
We got together just for fun

Ohohoho

We got together just for fun  
Just for fun!
