

Rodeo Wind

Jonathan Richman

The Rodeo is wild
And just like Rock and Roll
You're on the road today
And you're on the road tomorrow

They're scheming in the hotel
Planning for the good
If I get me a good draw
I'm gonna spur it like I should

Country Boy win, Country Boy lose
You want more, you got more
Ropes than guitars

Long-sleeved riders
Tight jeans on the girls
They're leanin' on the fences
As the hot wind whirls

Well, Rodeo win, Rodeo stars
You want more, you got more
Ropes than guitars

Well, you want more, you got more
Well, you want more, you got more
Ropes than guitars

Well, Rodeo win, Rodeo stars
You want more, you got more
Ropes and guitars

The Rodeo is wild
And kinda like Rock and Roll
In that, you're on the road today
And you're on the road tomorrow

They're scheming in the hotel
Thinking about the good
If I get me a good draw
I'm gonna spur it like I should

Well, Country Boy win, Country Boy lose
You want more, you got more
Ropes than guitars
