

Beautiful Day

Jonathan Roy

You're tired of hanging around
Waiting for life to come to you
So tired, it's getting you down
Miss the fun that used to be in you
I know that most of it is probably not your fault
But, I ain't giving up, no way
No, I ain't giving up, no way, no way

Oh, oh, it's a beautiful day
Oh, oh, don't let it slip away
Time wish you'd walk out that door
Tell me what you waiting for
Oh, oh, it's a beautiful day
It's a beautiful day
Oh, yeah

I know there's gonna be days
When it's gonna be hard for you
Let's go, 'cause I know a place
That I really wanna show you
You say you just won't run
And I'm wasting my time
But, I ain't giving up, no way
No, I ain't giving up, no way, no way

Oh, oh, it's a beautiful day
Oh, oh, don't let it slip away
Time wish you'd walk out that door
Tell me what you waiting for
Oh, oh, it's a beautiful day
A beautiful day
It's a beautiful day
A beautiful day

And when you give in, let it shine
And don't you let them change our story
Can you see it? I'm here for you
If I fall, I will fall, pick you up from the ground, and I say

Oh, oh
Oh, oh, it's a beautiful day
Oh, oh, don't let it slip away
Time wish you'd walk out that door
Tell me what you waiting for
Oh, oh
It's a beautiful day
Oh, yeah
A beautiful day
Nah, nah, nah, nah
No, no, no, no
Nah, nah, nah, nah
It's a beautiful, beautiful day
Beautiful day
