

# Gravity

Jonathan Roy

Gravity is working against me  
And gravity wants to bring me down

Oh, I'll never know  
What makes this man, with all the love  
That his heart can stand  
Dream of ways to throw it all away

Whoa, whoa  
Gravity is working against me  
And gravity wants to bring me down

Oh, twice as much ain't twice as good  
And can't sustain like one half could  
It's wanting more that's gonna send me to my knees

Whoa, whoa  
Gravity, stay the hell away from me

Keep me where the light is  
Keep me where the light is  
Keep me where the light is  
Keep me where the light is

Oh, twice as much ain't twice as good  
And can't sustain like one half could  
It's wanting more that's gonna send me to my knees
