

# Leaving With Your Heart

Jonathan Roy

Sunday morning  
Rules have been bent  
You were out all night, I know  
Hanging out with a friend  
And tell me how he's doing  
Heat getting off of your lips  
Who you think you're fooling?  
Never thought it would go down like this

I'm leaving with your heart, baby  
You lied so many times, lately  
So I kept your beating heart with me  
And I'm never gonna give it back  
I'm leaving with your heart, baby  
You crossed that line so easily  
And you know I left a hole where it used to be  
And I'm never gonna give it back

Monday morning  
I left you on read  
Stop denying what you've done, darling  
Just go back to his bed  
He can have what's left of you  
'Cause I got the best  
So tell me how you'll make it through  
With nothing pumping in your chest

I'm leaving with your heart, baby  
You lied so many times, lately  
So I kept your beating heart with me  
And I'm never gonna give it back  
I'm leaving with your heart, baby  
You crossed that line so easily  
And you know I left a hole where it used to be  
And I'm never gonna give it back, oh no

I'm leaving with your heart, baby  
And I'm never gonna give it back

I'm leaving with your heart, baby  
You lied so many times, lately  
So I kept your beating heart with me (I kept your beating heart)  
And I'm never gonna give it back (I'm never)  
I'm leaving with your heart, baby  
You crossed that line so easily (you crossed that line)  
And you know I left a hole where it used to be (I left the hole)  
And I'm never gonna give it back, no no
