

Nice To Meet You

Jonathan Roy

I'm holding on to things that I can't hide
My sadness sticks around because I can't cry
And every time try to empty all my thoughts I don't know what I
'll find

I met you on a sunny day, where darkness filled my mind and you
washed it away
You held me up so I could fall, telling me do it all over again
Ohhhhhhh nice to meet you, I thank you now I'm feeling OK
Ohhhhhhh nice to meet you, I'll have you for the rest of my day
s

I'm tearing down ideas that I once had
Reflecting on the life that I want bad
It's hard at times to grow when the past is just below letting
go to understand

I met you on a Sunny day, where darkness filled my mind and you
washed it away
You held me up so I could fall telling me do it all over again
Ohhhhhhh nice to meet you, I thank you now I'm feeling OK
Ohhhhhhh nice to meet you, I'll have you for the rest of my day
s

We've all been up and down
I'm chasing who I am
Searching for solid ground
On top of Holy land

I met you on a Sunny day, I'm reeling but I'm feeling OK
Ohhhhhhh nice to meet you, I'll have you for the rest of my day
s
