To Be Real

Jonathan Roy

I'm scared the dark
Don't wanna be alone
And I'm thinking too hard
My covers already blown

You see it you know it, yeah
You know how it should feel
You crave you want it, yeah
You want it to be real

Never thought it be a habit
Working myself into a panic
Gave you my heart said you could have it
I want it to be real
I want it to be real

Got all of these emotions
And I can barely hold em
Speak of what's unspoken
I know how I feel

I want it to be real
You opened up my eyes
I want it to be real
Your getting me so high

Got all of these emotions
And I can barely hold em
Speak of what's unspoken
I know how I feel

I'm cursing the stars
My world is being thrown
Who's be dealing the cards
My spirits over grown

You see it you know it, yeah
You know how it should feel
You crave you want it, yeah
You want it to be real

Never thought it be a habit
Working myself into a panic
Gave you my heart said you could have it
I want, I want, I want
I want it to be real
I want it to be real

Got all of these emotions
And I can barely hold em
Speak of what's unspoken
I know how I feel

I want it to be real
You opened up my eyes
I want it to be real
Your getting me so high

```
Got all of these emotions
And I can barely hold em
Speak of what's unspoken
I know how I feel
