

# You're My Ace

Jonathan Roy

I would rather be alone  
Spin my vinyl records home  
Than lay with some pretty girl  
Who doesn't dig my Robert Johnson tunes  
Tuesday break, coffee black  
Wear my fawn fedora hat  
Sunny days, fifty ways  
That I find, blows my mind  
Nothing can compare to this  
Can never miss my favorite bliss

Oh no no no no no  
Yeah yeah yeah yeah

You're my ace, winning hand  
Lucky starlight wonderland  
Shining bright diamonds, baby  
Just a little more  
You're my ace, jamming band  
Guitar rhythm on the sand  
Every little thing's gonna be alright

We move in water, shore to shore  
Without a boat or any oar  
We always find compass point  
Nassau feels very good to me  
You look like Candice Swanepoel  
Secret romantic fool  
On cloudy days, one hundred ways  
That I find, blows my mind  
Nothing can compare to this  
Can never miss my favorite bliss

Oh I know, I know, I know, no no  
Yeah yeah yeah yeah

You're my ace, winning hand  
Lucky starlight wonderland  
Shining bright diamonds, baby  
Just a little more  
You're my ace, jamming band  
Guitar rhythm on the sand  
Every little thing's gonna be alright

You and I belong together, we make life better  
(Oh sha na, oh sha na na na)  
You and I, we can sail together across any weather

Oh I know, I know, I know, no no  
Yeah yeah yeah yeah  
(Alright)

You're my ace, winning hand  
Lucky starlight wonderland  
Shining bright diamonds, baby  
Just a little more  
And you're my ace, jamming band

Guitar rhythm on the sand  
Every little thing's gonna be alright  
(Oh, and every little thing's gonna be alright)

You're my ace, winning hand (Oh you're my ace)  
Lucky starlight wonderland  
Shining bright diamonds, baby  
Just a little more now  
You're my ace, jamming band (Oh sha na)  
Guitar rhythm on the sand (Oh sha na na na)  
Every little thing's gonna be alright  
(Oh every little thing's gonna be alright)

With every little bit, every little hit's going faster  
With every little bit, every little hit's going better
