

## Coat Of Arms

Jonathan Thulin

The air is cold tonight, there's gun powder in my eyes  
This is the eve of battle, yes  
I left my other life behind, all I can see is the front line  
This is the eve of battle

Is this real, this cause I'm fighting for  
Am I real, I don't know anymore

What do I stand for? Am I left am I right  
Am I up and down am I east am I west  
Do I wear the crown, is my creed worth dying for?  
What do I live for? Can you tell on my face  
What my heart beats for do the words that I speak  
Show it to the core, does my glow outshine the stars  
Can you see my coat of arms?

The drummer boy's getting ready  
I'm trying to keep my hands steady  
This is the dawn of battle, Yes  
I've never been this afraid  
Forgot my family and my name  
This is the dawn of battle

Every second counts as the clock ticks back and forth  
Time is running out tell me do you know for sure  
Who you are cause you only have one life to live  
You only have one life to live
