

My Heart Is Ready

Jonathan Thulin

It's like covering
Up your footprints with dust
It's like following a corrupt king
With full trust

It's like wasting your life
Saving pennies to buy more time
When you know that the years have already
Left you behind

And I know
It doesn't make sense at all
That you give me your life
When I won't give you mine

And I know
That if you have room at all
My heart is ready now
Oh, my heart is ready now

It's like entering a dark cave
With no light
It's like being fed and then
Spitting it all out

It's like blaming the world when your
Wrongs are put on display
When you know that not listening
Has made you lose your say

And I know
It doesn't make sense at all
That you give me your life
When I won't give you mine

And I know
That if you have room at all
My heart is ready now
Oh, my heart is ready now

Ready for you...
