Today

Jonathan Thulin

I know you sit and wonder,
Where you are going,
I know the things you've been through,
Are sometimes hard to let go,
It was a faith that brought you to this place,
That gave you words to say
I'm telling you

Not where you've been,
Not who you are,
But the man you are today,
Is what I see, is what I know,
I don't care about the rest,
You are free, you've been made new,
Know that I look up to you,
For who you are, who you are
Today..

Sometimes you feel so empty,
Don't quite know where to go,
I'm telling you things are gonna get better,
You gonna see it through,
Cause it was strength,
That brought you this place,
That gave you hands of grace
I'm telling you

Not where you've been,
Not who you are,
But the man you are today,
Is what I see, is what I know,
I don't care about the rest,
You are free, you've been made new
Know that I look up to you
For who you are, who you are
Today..
Today..

It easy to keep thinking,
About what you could have been,
But look at what you are,
A child of the creator,
The risen son of man,
Lives inside of you,
Now yesterday is over,
The past is in the past,
You've been set free..

Not where you've been
Not who you were,
Is what I see, is what I know,
I don't care about the rest..
You are free, you've been made new
Know that I look up to you
For who you are, who you are..
who you are, who you are..
who you are, in Christ Today..

Today..
