Oh yeah
No, no, no, no, no, no, no

1, 2, 3, another day quickly passes
1, 2, 3, tomorrow is already almost here
Pressing down on my shoulders,
Pinning down the shadows
I need a place to comfortably rest

You and I
Even if it wasn't back then, you and I
We would've definitely met some time
A lot of time has passed
But things aren't different from the beginning

It's still the same, I'm a blessed person

Hug me, lean on my shoulder
Have strong trust in me, you know that saying?
I know even though you don't say it
That is very touching but
Please tell me even if you know

Time is so fast
I used to be so awkward but I changed
It's so funny
I used to freak out about small mistakes
But the one who smiled and waited for me was you
I'm so lucky

You and I
Even if it wasn't back then, you and I
We would've definitely met some time
A lot of time has passed
But things aren't different from the beginning
It's still the same, I'm a blessed person

Hug me, lean on my shoulder
Have strong trust in me, you know that saying?
I know even though you don't say it
That is very touching but
Please tell me even if you know

I always said I didn't care about numbers or dates
Like birthdays or anniversaries
But today, anyone can see, it's a day to celebrate
It's true

Hug me, lean on my shoulder
Have strong trust in me, you know that saying?
I know even though you don't say it
That is very touching but
Tell me you believe in me
