La la ah-ah-ah
Have you been waiting? I'm here (No)
La la ah-ah-ah
I've finally arrived (No)

The aurora, ah-ah (Baby)
Has spread before your eyes
You can rub your eyes in disbelief but
La la ah-ah-ah (Hey woo)
You'll have no choice but to believe

You used to only dream but now you'll see
All the things you only guessed and imagined
They'll be so close (Yeah)
You can touch them (Woo)
Then pinch my cheek to check if it's a dream

In front of my eyes, oh baby
Looking at you
Like a colorful curtain fluttering
Looking at you
In front of my eyes, oh baby
You look so elegant
You're a light in this noisy world
So glamorous, aurora (Aurora)
Aurora (Aurora)

You already know?
Beautiful things
You know?
Are not common
Lady ooh (Baby), even if you're already in my arms
(I want you endlessly)

You used to only dream but now you'll see
All the things you only guessed and imagined
They'll be so close (Yeah)

You can touch them (Woo)
Then pinch my cheek to check if it's a dream

In front of my eyes, oh baby
Looking at you
Like a colorful curtain fluttering
Looking at you
In front of my eyes, oh baby
You look so elegant
You're a light in this noisy world
So glamorous, aurora (Aurora)
Aurora (Aurora)

Warmly hold me tight
Like the clouds that wrap around the moon
Stay by my side
So even the stars can be jealous, alright (Aurora)
So I can close my eyes and rest, hold me more
