Ooh ooh ooh ooh baby
Ooh ooh ooh ooh baby

Ooh ooh ooh ooh baby
Ooh ooh ooh ooh baby

Uh you're my, you're my space

(Twinkle) Your twinkling eyes
(Oh surprise) They surprise me
(Slightly again) Your playful lips put on a
Smile as if you wanna show me
My eyes go to you again (My eyes)
"A guy like you? Go away" (Go away)
Your eyes that say that
Have a special depth

Give me a chance
Tell me what you want
Be honest
Tell me

There's a universe
There's a universe filled in your eyes
The moment our eyes electrically meet
The tip of my ears felt a zap, the stars have twinkled
Sometimes, my eyes rolled back
Please look back at me often
Check to see if I'm revolving around you
To see if this orbit is right

Ooh ooh ooh ooh baby
Ooh ooh ooh ooh baby

There are too many stars revolving around you
But they're all fake, man-made artificial satellites
I swear by the moon, it's only you for me
It's only you
If you ask me not to follow you
I can't help it, you're like a magnet
My heart is already not listening to me,
It's looking at you

There's a universe
There's a universe filled in your eyes
The moment our eyes electrically meet
The tip of my ears felt a zap, the stars have twinkled
Sometimes, my eyes rolled back
Please look back at me often

Check to see if I'm revolving around you
To see if this orbit is right

The one who's not interested (until you fall asleep) is speaking
But don't lie (Don't lie)
You're already wide awake
Now break down your wall, break it
I hope these words are special to you
Oh baby (Oh baby, where are you looking?)
Don't think about looking at other people
Oh babe babe babe oh

There's a universe
There's a universe filled in your eyes
The moment our eyes electrically meet
The tip of my ears felt a zap, the stars have twinkled
Sometimes, my eyes rolled back
Please look back at me often
Check to see if I'm revolving around you
To see if this orbit is right

Ooh ooh ooh ooh baby

Ooh ooh ooh ooh baby (You're my space)
