Oh she is, I like your small eyes, the way you look at me
Oh she is, your slightly thick eyebrows, I like it like that
Oh she is, even the wind feels nice,
I have a good feeling
From A to Z, about everything

Oh sweet love
Quietly sitting in front of a softly lit candle
(I like this bridge)
Oh sweet love
Quietly locking eyes with you,
Just looking at you drives me crazy

Oh she is, I like your small eyes, the way you look at me
Oh she is, your thick eyebrows, I like it like that
Oh she is, I like your slightly pouting lips
