When the light disappeared, I grabbed your hand
In this noisily turning world
Seems like everyone but me is busy
I think I'm pretty tired
I think I'm struggling a lot
How about you? Though I called without much meaning
You brightly answered me
You always lend me your shoulder
Even though I complain often
I hope you will understand
And I 1, 2, 3 Oh and a day
And I 1, 2 with my soul
Even when I call sometimes, you warmly greet me
Just hearing those words from you
Makes me miss your voice even more
I miss you, who comforts me
The one thing I wanna tell you today
Thank you oh my friend

Where are you? What're you doing?
Even if we haven't talked in a while
It's not awkward at all
Even if some day
You brightly answered me
You always lend me your shoulder
Even though I complain often
I hope you will understand
And I 1, 2, 3 Oh and a day
And I 1, 2 with my soul
Even when I call sometimes, you warmly greet me
Just hearing those words from you
Makes me miss your voice even more
I miss you, who comforts me
The one thing I wanna tell you today
Even when I call sometimes, you warmly greet me
Just hearing those words from you
Makes me get through this day
This day that felt meaningless
This day that felt dark
Now it feels warm because of your embrace
Even when I call sometimes, you warmly greet me
Just hearing those words from you
Makes me miss your voice even more
I miss you, who comforts me
The one thing I wanna tell you today
Even when I call sometimes, you warmly greet me
Just hearing those words from you
Makes me get through this day
This day that felt meaningless
This day that felt dark
Now it feels warm because of your embrace
Your embrace
Your embrace
