

Comes Love

Joni Mitchell

Comes a rain storm
Put your rubbers on your feet
Comes a snow storm
You can get a little heat
Comes love
Nothing can be done

Comes a fire
Firemen come and rescue you*
Blow a tire
You can patch the inner tube
Comes love
Nothing can be done

Don't try hidin'
'Cause it isn't any use
You'll just start slidin'
When your heart turns on the juice

Comes a heat wave
You can hurry to the shore*
Come a summons
Hide yourself behind a door
Comes love
Nothing can be done

Comes a headache
You can lose it in a day
Comes a toothache
See your dentist right away
Comes love
Nothing can be done

Comes the measles
You can quarantine the room
Comes a mousie
You can chase it with a broom
Comes love
Nothing can be done

That's all brother
If you've ever been in love
That's all brother
And you know just what I'm speakin' of

Comes a nightmare
You can always stay awake
Comes depression
You could get another break
Comes love
Nothing can be done
Nothing can be done
