

# Don't Worry 'Bout Me

Joni Mitchell

Don't worry 'bout me  
I'll get along  
Forget about me  
Just be happy my love

Let's say that our little show is over  
And so the story ends  
Why not call it a day the sensible way  
And still be friends

Look out for yourself  
That should be the rule  
Give your heart and your love  
To whomever you love  
Darlin' don't be a fool

Why do we cling to this old faded thing  
That used to be  
So if you can forget  
Then don't worry 'bout me

Why should we cling to some old faded thing  
That used to be  
So if you can forget  
Then you don't worry 'bout me
