This is my solo...

Excuse me Sir... would you please take your seat, I'm playing m y solo... no I'm serious can't you see I'm playing a solo here?

Hey buddy sit down so I can concentrate on my solo... Ok that's it, you would think that an artist could play a solo once in a while without any interuptions. Here... you take my g uitar and show us what is so important...

What? You work here, you're the usher? Oooook, sorry, soooo I'l just play my solo then.
