

# Bring That

Jonn Hart

You can get it over there (Ay, ay, ay yeah)  
Or you can get it over here (Ay, ay, ay yeah)  
Ooh, sityo' ass down baby, make yourself comfortable  
Oh, you can get it on the ground, face down  
I'm a savage, just to let you know

Bring that ass to me  
You know how I like it  
Bring that ass to me  
You know how I like it  
Baby, bring that ass to me  
(Bring that ass to me, bring that ass to me)  
Baby, bring that ass to me  
(Bring that ass to me, bring that ass to me)  
Baby, bring that ass to me

Ooh girl, lemme hit it when you wake up  
Such a sweet house, with your makeup  
I'm off with the Henny (Yeah)  
I'm goin' 'round  
Bring that ass to me  
Throw it back, shortie show me what you made of  
Not an average bae, you an A-plus  
She offer that Henny (Girl)  
Now turn it down

Bring that ass to me  
Ooh you know how I like it  
Girl, you know what's up, fuck it up  
Every time that you ride it  
You can get it over there (Ay, ay, ay yeah)  
Or you can get it over here (Ay, ay, ay yeah)  
Ooh sityo' ass down baby, make yourself comfortable  
Oh you can get it on the ground, face down  
I'm a savage, just to let you know

Bring that ass to me  
You know how I like it  
Bring that ass to me  
You know how I like it  
Baby, bring that ass to me  
(Bring that ass to me, bring that ass to me)  
Baby, bring that ass to me  
(Bring that ass to me) You know how I like it (Hey, hey)  
Baby, bring that ass to me

Baby, you poppin', you poppin' (Poppin')  
Oh baby you don't stop it  
Don't stop it, don't stop it  
Put it all on me  
My hands on yo' body  
You freaky, you naughty  
Double up 'cause you got it  
Girl, I want you

Bring that ass to me  
Ooh, you know how I like it

Girl, you know what's up, fuck it up  
Every time that you ride it  
You can get it over there (Ay, ay, ay yeah)  
Or you can get it over here (Ay, ay, ay yeah)  
Ooh, sityo' ass down baby, make yourself comfortable  
Oh, you can get it on the ground, face down  
I'm a savage, just to let you know

Bring that ass to me  
You know how I like it  
Bring that ass to me  
You know how I like it  
Baby, bring that ass to me  
(Bring that ass to me, bring that ass to me)  
Baby, bring that ass to me  
(Bring that ass to me, bring that ass to me)  
Baby, bring that ass to me

I know this did make you lose control  
She know every time I hit it, she gonna need some mo'  
Bring that ass to me
