

# Fed Up

Jonn Hart

Bitch, you go  
Why you wanna go through my phone?  
Doing too much, girl, but not today  
Pressing my buttons, man, get out my way  
Now you're saying this and that  
All of my It Girl you better fall back  
Got me like "Damn, what the fuck?"  
Start tripping, girl, just shut up  
Got me like

Bitch, what? What the fuck?  
And if you're second guessing, then you got a cut  
Bitch, what? What the fuck?  
You got a real nigga fed up  
When a nigga fed up, when a nigga fed up  
Ain't shit you can do about it  
When a nigga fed up, a real nigga fed up  
Ain't shit you can do about it

Like that, when I let her go, she wanna come back  
I'll be like, I can't, I can't stand you  
But it's making nigga act brand new  
No lie, no lie, I don't need this shit, I ain't got time  
I don't need no bitch  
All of my girls are like this  
Got me like yeah

Bitch, what? What the fuck?  
And if you're second guessing, then you got a cut  
Bitch, what? What the fuck? (Yeeah)  
You got a real nigga fed up  
When a nigga fed up, when a nigga fed up  
Ain't shit you can do about it  
When a nigga fed up, a real nigga fed up  
Ain't shit you can do about it

Girl, you know damn well that you did it to yourself  
Everytime I was gone, you was at home putting me through hell  
Like I was ain't out in these streets making money (money)  
Now you never ever get and tie in front me, noo

Got me like  
Bitch, what? What the fuck?  
And if you're second guessing, then you got a cut  
Bitch, what? What the fuck? (Yeeah)  
You got a real nigga fed up  
When a nigga fed up, when a nigga fed up  
Ain't shit you can do about it  
When a nigga fed up, a real nigga fed up  
Ain't shit you can do about it

I think it's time I face it  
I see you never ever change shit  
All you did is waste my time  
I'm so done, you can have a nice life  
You be all up in my face on some bullshit  
I ain't the one, and I'll be quite honest

I think it's 'bout time you cut  
I ain't bad, girl I'm just fed up

Got me like  
Bitch, what? What the fuck?  
And if you're second guessing, then you got a cut  
Bitch, what? What the fuck?  
You got a real nigga fed up  
When a nigga fed up, when a nigga fed up  
Ain't shit you can do about it  
When a nigga fed up, a real nigga fed up  
Ain't shit you can do about it  
Got me like, bitch, what? What the fuck?  
And if you're second guessing, then you got a cut  
Bitch, what? What the fuck?  
You got a real nigga fed up  
When a nigga fed up, when a nigga fed up  
Ain't shit you can do about it  
When a nigga fed up, a real nigga fed up  
Ain't shit you can do about it
