Broke bitches can't have me
Thirst traps tossin' their panties
I see her eyeing me too
I can tell she like how I move
No fugazi, its all truth
Straight bossin', don't get confused

All the girls in the club they say I'm cute (they say I'm cute)
You know what it is that broke shit I don't do (shit I don't do)
She wanna fuck with a real nigga so she choose (so she choose)
And if I was you, hell yeah I'd fuck me too (I'd fuck me too)

Only bad bitches understand see
