Cause I got questions  
Cause I got questions  
Cause I got questions  
Oh, I got questions

Do you ever think bad if I never saw them texts when we be baby  
?

Do you ever think bad how your girls love for you? Damn they drive me crazy

Did you ever love me? Cause when I was up, you knocked a nigga down

Did you ever know that you held my heart and then you ripped it out?

I know, I know, I know, I know you said I hurt you

You know, you know, it goes both ways, yeah girl it takes two

No I never blamed it all on you

But girl, I can't tell the lies from the truth

Do you think you're, do you think you're better alone?

Do you think the, do you think the love is gone?

And I don't know, and I don't know what's real anymore

But I know, I know that

Now I got some questions and I know you know  
I'm searching for answers, so where do I go?
