

# Runaway

Jonn Hart

Smashin' hearts, breakin' hearts  
That's been you always from the start  
Extra baggage weighs you down  
I'll take hold of it, I won't put it down  
Grab the wheel, take control  
I'm you captain, I'm you pilot, let's just go  
'Cause girl, I got that shit that you've been missing  
Ain't no more of that lame love, this that invention

Oh oh oh, Oh oh oh  
Until you runaway with me  
Oh oh oh, Oh oh oh  
We can runaway, baby  
Oh oh oh, Oh oh oh  
Until you runaway with me  
Oh oh oh, Oh oh oh  
We can runaway now

Girl, I been waitin' to treat you  
Just how you want 'em to treat you  
Been waitin' to give you that good love  
And straight from the street, yeah, that hood love  
You got my number, so call me  
No need to keep up with that sad face  
I got that money, that's all day  
So why don't we kick it the long way?  
Let's take a trip to the Bay  
Then we'll fly over Tahiti  
Boat ride in Venice, that's easy  
Go sip some water in Fiji  
Jamaica, tucked off the villa  
Then walk on the shores of Anguilla  
'Cause when you're with me  
That's that good life

Oh oh oh, Oh oh oh  
Until you runaway with me  
Oh oh oh, Oh oh oh  
We can runaway, baby  
Oh oh oh, Oh oh oh  
Until you runaway with me  
Oh oh oh, Oh oh oh  
We can runaway now

Put your heart right here in my hand now baby  
Trust me, I won't let you down  
You ain't livin', you ain't livin' at all  
Until you run away with me

Oh oh oh, Oh oh oh  
Until you runaway with me  
Oh oh oh, Oh oh oh  
We can runaway, baby  
Oh oh oh, Oh oh oh  
Until you runaway with me  
Oh oh oh, Oh oh oh  
We can runaway now
