She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated

Don't mind me, got a nigga sprung up for your body (Ah) so don't try me, I dive in the pussy don't drown me, alright. Ooh, You so damn bad ooh I'll be the best that you have

I know you use to the attention. All that ass got a nigga tempted, I'm thirsty, I ain't gonna lie

She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated

I can never get enough, no way, said oh, this cake ain't even my birthday oh bae but girl I want it in the worst way. I'm a real nigga girl when you know I don't play. Cause I want to beat, beat it up, give you that rush I need that, so tell me wassup

I know you use to the attention. All that ass got a nigga tempted, I'm thirsty, I ain't gonna lie

She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated

And they should know to get out your way. I can't stop starin when you walk. You can have everything I got. Baby, and they should know to get out your way. You the baddest on the block, you can have everything I got

She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
She got me on voss, she got me on voss, dehydrated
