

Wild

Jonn Hart

She breaking all the rules, she just living life
She ain't got no brakes, that's that do or die
Shorty murking the flow
So outta control

'Cause you know she be wilding
Straight from the bottle, she don't mind it
She run it up, yeah she be balling, that bad and bougie type
She never skips a line, ooh whoa

'Cause you know she be wilding
She be wilding, she be wilding, oh
'Cause you know she be wilding
She be wilding, she be wilding, oh
'Cause you know she be wilding

She won't stop, can't stop now
She turn the party upside down
Keep shaking them cheeks, put that ass on me
DJ fuck it up right now
Brought her bestie, name is Molly
Now she rolling loud
Got her friends acting all crazy
Just like girls gone wild

She breaking all the rules, she just living life
She ain't got no brakes, that's that do or die
Shorty murking the flow
So outta control

'Cause you know she be wilding
Straight from the bottle, she don't mind it
She run it up, yeah she be balling, that bad and bougie type
She never skips a line, ooh whoa

'Cause you know she be wilding
She be wilding, she be wilding, oh
'Cause you know she be wilding
She be wilding, she be wilding, oh
'Cause you know she be wilding

And now we're dancing along
Feel so right, can't be wrong
She grinding that all on me
Too more shots that we gone
Need you now, put me on
If you bad then come fuck with me

'Cause you know she be wilding
Straight from the bottle, she don't mind it
She run it up, yeah she be balling, that bad and bougie type
She never skips a line, ooh whoa

'Cause you know she be wilding
She be wilding, she be wilding, oh
'Cause you know she be wilding
She be wilding, she be wilding, oh

'Cause you know she be wilding

'Cause you know she be wilding
