

## Cry Me a River

Jonny Craig

I keep on runnin? baby  
I keep on runnin?  
But I just can? t hide  
No, I just can? t hide  
I keep on hurtin? baby  
I keep on hurtin? so deep inside  
So deep inside  
Lord I need your smile  
Child like the one I once knew  
Made my grass green  
And my blue skies blue  
Lord was time when 2 was 1  
Tell me now girl  
Where? ve all the good times gone  
Cry me a river  
Wash my blues all away  
Cry me a river  
Girl you is my riverboat  
Take me away

Is reachin? out my hand  
Won? t ya please help me to my feet once again  
Tears fallin? like rain  
Lord it? s a time  
When everybody needs a friend  
Girl where? ve you been  
Lord I need your smile  
Child like the one I once knew  
Made my grass green  
And my blue skies blue  
Lord was a time when 2 was 1  
Where? ve all the goodtimes gone  
Cry me a river  
Wash my blues all away  
Cry me a river  
Girl you is my riverboat  
Take me away
