

# Going Under

Jonny Craig

Can I get a minute?  
I know you think I'm wrong  
But just let me finish  
I've been here all along  
No one ever said it  
But I think you've got a habit  
Always looking at the bad shit  
Always thinking that we have it, yeah

Look at the things that I've done  
Nothing is ever enough  
I try to be patient but I'm tired of waiting  
For something that I know won't come  
I'm not someone down on my luck  
A diamond that's stuck in your rough  
And I'll sit and take it though I'm sick of paying  
For something that I haven't done

I keep my head above the water  
But I can't keep my thoughts in order  
If we can wait a little longer  
I'll keep us both from going under, under, under  
I keep my head above the water  
But I can't keep my thoughts in order  
If we can wait a little longer  
I'll keep us both from going under, under, under

Can't blink, can't think  
Can't feel a thing  
Can't blink, can't think  
Can't feel a thing

You've got the taste of the devil on your tongue now  
It's not your fault that you can't figure yourself out  
I've been trying to speak but you ain't listening  
You hear my voice but the noise around you blocks me out

Look at the things that I've done  
Nothing is ever enough  
I try to be patient but I'm tired of waiting  
For something that I know won't come  
I'm not someone down on my luck  
A diamond that's stuck in your rough  
And I'll sit and take it though I'm sick of paying...

I keep my head above the water  
But I can't keep my thoughts in order  
If we can wait a little longer  
I'll keep us both from going under, under, under  
I keep my head above the water  
But I can't keep my thoughts in order  
If we can wait a little longer  
I'll keep us both from going under, under, under

Sick of being the one to blame  
Don't you understand the game?  
Have you broken or lost

Picking up what you love  
Don't you see the only way to end this is up  
Only way to end this is us  
Only way to end this in love  
Let me keep you afloat  
Let me keep you afloat

I keep my head above the water  
But I can't keep my thoughts in order  
If we can wait a little longer  
I'll keep us both from going under, under, under  
I keep my head above the water  
But I can't keep my thoughts in order  
If we can wait a little longer  
I'll keep us both from going under, under, under
