

Sadness

Jonny Craig

All we know is all we need
And I don't give a damn about nothing else, no
You say the word I'm on my knees
If you get hurt just watch me bleed

You stopped me on the run
I didn't want to fall in love
But if I'm no good for you then I'm a danger to myself
You stopped me on the run
Who said it isn't fun?
When the world has turned to dust and there's nothing left but us

If I can feel your hands while you're laying on my chest
Then I've got everything even when there's nothing left
Discovering the depths of the sheets over my bed
I know that you'll be there when they lay my soul to rest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness

I'm not shy about nothing
You'll always get the best of me, mm
And I've got plans to give you everything you need
The life we see on TV screens

You stopped me on the run
I didn't want to fall in love
But if I'm no good for you then I'm a danger to myself
You stopped me on the run
Who said it isn't fun?
When the world has turned to dust and there's nothing left but us!...

If I can feel your hands while you're laying on my chest
Then I've got everything even when there's nothing left
Discovering the depths of the sheets over my bed
I know that you'll be there when they lay my soul to rest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness

If I can feel your hands while you're laying on my chest
Then I've got everything even when there's nothing left
Discovering the depths of the sheets over my bed
I know that you'll be there when they lay my soul to rest
There's no time for sadness

When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
When I'm with my baddest
There's no time for sadness
