

# The One

Jonny Craig

Meet me in the dark  
It's not very far  
With your bright eyes  
But you tell him no  
Tell him where we are  
Cause wherever you go  
I go, we go, I go, forever  
And whatever I do, you do, we do  
We do, together

And you are  
The one for me  
The one for me  
The one for me

And you are  
The one for me  
The one for me  
The one for me

I'm not slammin' on the bitch  
I'm not slammin' on the bitch, aye  
I keep it together, I'm the shit  
Ain't no slammin' on the bitch, aye

Ooh, baby, you're a star  
I gotta play the part  
If I'm gonna win your heart  
I gotta keep it running if we wanna take it far  
Cause you are, you are, you are

You are  
The one for me  
The one for me  
The one for me

You are  
The one for me  
The one for me  
The one  
For me

And you are  
The one for me  
The one for me  
The one for me

And you are  
The one for me  
The one for me  
The one for me

Oh, you are, you are, you are  
Oh, you are, you are, you are

The one for me  
Baby, you're the one for me

I will keep you company  
Cause baby, you're the one for me
