

## Paint It Black

Jonny Lang

I see a red door and I want it paint it black  
No colors anymore, I want them to turn black  
I see the girls walk by dressed in their summer clothes  
I have to turn my head until my darkness goes

I see a line of cars and they're all painted black  
With flowers and my love, both never to come back  
I see the people turn their heads and look away  
Like a new born baby, it just happens ev'ry day

I look inside myself and see my heart is black  
I see a red door, I must have it painted black  
Maybe then I'll fade away, and not have to face the facts  
It's not easy facin' up when your whole world is black

No more will my green sea go turn a deeper blue  
I could not foresee this thing happening to you  
If I look hard enough into the settin' sun  
My love will laugh with me before the mornin' comes

I see a red door and I want it paint it black  
No colors anymore, I want them to turn black  
I see the girls walk by dressed in their summer clothes  
I have to turn my head until my darkness goes

I wanna see you painted black, black as the night, black  
I wanna so black, I can't see  
Don't wanna see no more black, painted black, painted black  
Oh, yeah, baby hmm, hmm, hmm
