Jónsi

Everyone, everyone, everyone, everyone

You'll know when's time to go on  
You'll really want to grow and grow till tall  
They all in the end will fall

You'll know when's time to go on  
You'll really want to grow and grow till tall  
They all in the end will fall

You'll know when's time to go on  
You'll really want to grow and grow till tall  
They all in the end will fall

Grow till tall, they all in the end will fall  
They in the end will turn and fall

You'll know, you'll go  
You'll know, you'll know  
You'll know, you'll know  
You'll know

You'll know, you'll know
