

BOOM BOOM!!!!

Joost

I am missing something
Und I am looking for it
But I don't know what it is
What it is, what I miss
But it comes from within
Within my soul
It is all I have
It is all I have ever been

This is my boom boom
My love and desire
This is my boom boom
Set it on fire
This is my boom boom
I need a boom boom girl
This is my boom boom
And we will boom boom the world

Look at my pants, you wanna take off my pants
But tonight, not a chance
I keep the boom boom in my pants
Because the boom boom is too strong
So put the boom boom in my song
And my pants, I keep them on
Because my boom boom is too long

Will you boom?
And I boom
The whole place booms

Doesn't matter if you untz or you boom
We still love you
