

# Dreamed You Did

Jordan Davis

Last night it was so real  
I can still feel  
You all over me  
And I woke up reaching for you  
Wanting to hold you  
Damn everything felt right  
Last night

When you called me  
Said you want me  
Told me you were coming over  
Said you're running red lights  
At 85 and getting closer  
A kiss at the door, ended up on the floor  
Ain't too sure what hurts more  
That you didn't or that I dreamed you did

Yeah we said everything we didn't say  
Without saying a word at all  
I tried like hell to fall back asleep  
Just to see if maybe we  
Could pick back up where we left off

When you called me  
Said you want me  
Told me you were coming over  
Said you're running red lights  
At 85 and getting closer  
A kiss at the door, ended up on the floor  
Ain't too sure what hurts more  
That you didn't or that I dreamed you did

Is it worse that you're so gone  
That I don't even cross your mind  
Or that I'll be dreaming that you're coming back again tonight

When you called me  
Said you want me  
Told me you were coming over  
Said you're running red lights  
At 85 and getting closer  
A kiss at the door, ended up on the floor  
Ain't too sure what hurts more  
That you didn't or that I dreamed you did

I dreamed you did  
Yeah I dreamed you did  
Yeah I dreamed you did
