

Oh-oh-oh, oh-oh-oh

You gave a heavenly breath  
And now it's air in our chests  
That's why we're singing it back to You (Back to You)  
For every battle You've won  
For everything that You've done  
And everything that You're gonna do (Gonna do)

Seen too much to ever doubt it  
Feels so good, I wanna shout it  
Yeah, when I really think about it  
All I wanna do, all I wanna do is

Glorify Your name  
We came to glorify Your name  
That's why we came (That's why we came)  
That's why we came (That's why we came)  
To lift Your name  
Come on and sing (Oh-oh-oh, oh-oh)  
Glorify Your name  
We came to glorify Your name  
That's why we came (That's why we came)  
Yeah, we were made (Yeah, we were made)  
To lift Your name  
All the church sing (Oh-oh-oh, oh-oh)

So let Your glory be heard  
Until it covers the earth  
Don't wanna wait for the rocks to shout (Rocks to shout)  
We got a reason to praise (Ay!)  
This is the song of the saved (Ay!)  
No, we ain't gonna turn it down (Turn it down)

Every day we got a reason  
'Cause church ain't only on the weekend  
Yeah, when I get that kind of feeling  
All I wanna do, all we wanna do is

Glorify Your name  
We came to glorify Your name  
That's why we came (That's why we came)  
That's why we came (That's why we came)  
To lift Your name  
Come on and sing (Oh-oh-oh, oh-oh)  
Glorify Your name  
We came to glorify Your name  
That's why we came (That's why we came)  
Yeah, we were made (Yeah, we were made)  
To lift Your name  
All the church sing (Oh-oh-oh, oh-oh)

(Oh-oh-oh, oh-oh)  
Every day, every day, we're gonna  
Glorify, glorify  
Every day, every day, we're gonna  
Glorify, glorify

Every day we got a reason (Every day, every day, we're gonna)  
'Cause church ain't only on the weekend (Glorify, glorify)  
Yeah, when I get that kind of feeling (Every day, every day, we're gonna)  
Oh, I gotta sing

Glorify Your name  
We came to glorify Your name  
That's why we came (Ay!)  
That's why we came (Ay!)  
To lift Your name  
Come on and sing, come on and sing  
Glorify Your name  
We came to glorify Your name  
That's why we came (Ay!)  
Yeah, we were made (Ay!)  
To lift Your name  
All the church sing (Oh-oh-oh, oh-oh)

Every day, every day, we're gonna  
Glorify, glorify  
Every day, every day, we're gonna  
Glorify, glorify  
Come on and sing  
Glorify Your name  
We came to glorify Your name
