

# Broken By You

Jordan Knight

First lonely night  
What will I do  
I feel my heart breaking in two  
I'm such a fool  
When will I learn  
I fell so deep  
Then I got burned

If you gave just one reason why  
My heart just might let go  
Maybe one day I will fall in love again  
But for now I'll just leave my heart in two

If I never fall in love again  
If I never touch your skin again  
If I never feel again this way  
If I never see another day  
Remember me  
Remember this  
'Cause one thing that will never change  
Is the feeling in my heart  
So broken by you

Love still remains  
After you're gone  
Girl please explain where did I go wrong
