

# Give Into The Dark

Jordan Mackampa

Soldiers asleep in the long grass  
Wolves become sheep, let the time pass  
Don't follow the signs, cause they'll make you blind  
It's there for a little while but it never last

So I give in to the dark  
(Ooh, ooh, ooh)  
It happens when I sleep  
(Ooh, ooh, ooh)  
I give in to the darkness  
Ooh, ooh, ooh  
To escape from a dream  
Ooh, ooh, ooh  
Ooh, ooh, ooh

A man becomes lost when he follows the rules  
He used to be wise but became a fool  
So I sing for myself, 'cause only I understand  
My own private war there's blood on the sand

So I give in to the dark  
(Ooh, ooh, ooh)  
It happens when I sleep  
(Ooh, ooh, ooh)  
I give in to the darkness  
Ooh, ooh, ooh  
To escape from a dream  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Free myself from this sleep

So I give in to the dark  
(Ooh, ooh, ooh)  
It happens when I sleep  
(Ooh, ooh, ooh)  
I give in to the darkness  
Ooh, ooh, ooh  
To escape from a dream  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh
