

Magic

Jordan Mackampa

Don't know what it is
You've got control of me
You see I'm breaking a sweat
Losing my head, oh no
But when I get it
I'm gonna ask for permission
So that I can hold it, squeeze it, kiss it
I won't let go

See, it must be magic
'Cause I'm under a spell
Will somebody answer me?
'Cause I can't tell
Oh well, but I...

Can't get enough, can't get enough, I can't get enough of your lovin', baby
I can't get enough, can't get enough, I can't get enough of your lovin', bab
y
I can't get enough, can't get enough, I can't get enough of your lovin'
I can't get enough, can't get enough, can't get enough of your lovin', baby

You see I have tried
To find other fruits
But none of them
Taste as sweet as you
I'm not sure what it is
When I kiss those lips
But you've got me wondering
The things that you can do

See, it must be magic (Must be magic)
'Cause I'm under a spell (Under a spell)
Will somebody answer me?
'Cause I can't tell
Oh well, but I...

Can't get enough, can't get enough, I can't get enough of your lovin', baby
I can't get enough, can't get enough, I can't get enough of your lovin', bab
y
I can't get enough, can't get enough, I can't get enough of your lovin'
I can't get enough, can't get enough, can't get enough of your lovin', baby

And I'm sitting, watching, waiting, for your love to come back
And still I'm sitting, watching, waiting for your love

'Cause I can't get enough of your love
I can't get enough, can't get enough, I can't get enough of your lovin', bab
y
(Said I can't get enough)
I can't get enough, can't get enough, I can't get enough of your lovin', bab
y
(I can't get enough - no, no)
I can't get enough, can't get enough, I can't get enough of your lovin'
(Said I can't get enough of your love
Can't get enough of your love - no, no, no)
I can't get enough, can't get enough, I can't get enough of your lovin', bab
