

My Shoes

Jordan Pruitt

I see you standing by your locker all day
I wanna say hey
But boy I'm too shy to break the ice
I know you know a lot of my friends
I heard this from them
You're not only fine you're so nice

(They can see that)
Because of you I got it so bad (so bad)
I wonder if you know
(You're the one boy)
But I need help with my approach boy

If only you could step in my shoes
You'd know how I feel
You'd know that I'm good for you
If only you could step in my shoes
Baby you'd see what I mean
An let me just make a move
If only you could step in my shoes

Step in my shoes
Step, step baby yeah step baby yeah
Step in my shoes
Step, step in baby yeah step baby yea

Sometimes I think you're looking over at me
Like I'm what you need
But maybe it's all in my mind
I wish that I could give you a call
(Give you a call)
Confessing it all
And one of these days I just might

(Get your number)
Get your number
But for now I'll have to wonder (wonder)

If only you could step in my shoes
You'd know how I feel (oh)
You'd know that I'm good for you (good for you)
If only you could step in my shoes
Baby you'd see what I mean
An let me just make a move (make a move)
If only you could step in my shoes

Step in my shoes
Step, step baby yeah step baby yeah
Step in my shoes
Step, step in baby yeah step baby yea

What would it be like
If you weren't walking right by
If I fessed up, Said what's up
Would I get a reply
If you knew what I knew I bet that you would smile
You'd see it through my eyes

If only you could step in my shoes

Step, step in my shoes
Baby I'm so into you
Step, step in my shoes

If only you could step in my shoes
You'd know how I feel
You'd know that I'm good for you
If only you could step in my shoes
Baby you'd see what I mean
An let me just make a move
If only you could step in my shoes

Step in my shoes
Step, step baby yeah step baby yeah
Step in my shoes
Step, step in baby yeah step baby yea

Step in my shoes
Step, step baby yeah step baby yeah
Step in my shoes
Step, step in baby yeah step baby yea
