

The Way You Do The Things You Do

Jordan Pruitt

Oh
The Way you do the things you do
Oh
The way you do the things you do

You got a smile so bright
You know you could've been a ken doll
I'm holding you so tight
You know you could've been a hang doll
The way you sweep me off my feet (feet)
You know you could've been a broom
The way you smile so sweet
You know you could've been some perfume, yeah

Yea you could've been anything that you wanted to
And I can tell
The way you do the things you do
(the way you do the things you do)
The way you do the things you do
(the way you do the things you do)

As cute as you are
You know you could've been a flower, yeah
If good looks were a minute
You know you could've been a hour
The way you stole my heart
You know you could've been a koo koo
And baby you're so smart
You could've been a school book, yeah

Well you could've been anything that you wanted to
And I can tell
The way you do the things you do
(the way you do the things you do)
The way you do the things you do
(the way you do the things you do)
The way you do the things you do

You make my life so rich
You know you should've been some money
And baby you're so sweet
You know you should've been some honey

Well you could've been anything that you wanted to
And I can tell

Yea you could've been anything that you wanted to
And I can tell
The way you do the things you do
(the way you do the things you do)
The way you do the things you do
(the way you do the things you do)

The way you do the things you do
(the way you do the things you do)
The way you do the things you do
(the way you do the things you do)
