Alright

Jordan Rakei

Sunlight and you hold me as I breathe
It's a summertime
Cause I'm blowing through the breeze
I said I'm born to you
I'm born to see the day come through
I should care for you
Like you want me to

(I don't want to see)
Alright
Oh, I don't want to see no more
Alright
Oh, I don't want to see no more
Alright
Oh, I don't want to see no more
Alright

Turn me up in this place
It's an ocean of sounds, yeah
'Said turn me up in this place
Til' the notion is found

Oh, I don't want to see
It feels like I've been such a stranger
It feels like everything is wrong
It feels like I've been gone for ages

Assume to be done before
Too long, too long
Too long, too long
Too long

The time has come for change, yeah
With no where to escape
With different circumstances
I shouldn't need it to behave
