

Bruises

Jordan Rakei

Over my head
It's looking like a stalemate has happened again
You were dreaming of saying it was my fault
Had it till the very end
If I'm alone, would you spare me?
Take it upon myself for blessings
'Cause I think that I'm facing this problem from the stern
Like before

Save me
Save me
Save me
Save me

You don't love me like you used to
You don't even seem to care
Time to mend away these bruises
You don't even seem to care

We fight fires of pain
For saving face
Dreaming of a yesterday
Oh, to the edge of fate
No celebration
Dreaming of a yesterday
Oh, I wish I could've said
Wish I could've said something
Dreaming of a yesterday
Feel it slip away
Slip away, slip away, slip away, slip away

Over my head
I'm veering far more frequently
No surprises
I'm praying for a miracle
So when I said I'm not myself
You get caught in between
All I'd ever need

Save me
Save me
Save me
Save me
Save me
Save me
Save me
Save me
Save me

You don't love me like you used to
You don't even seem to care
Time to mend away these bruises
You don't even seem to care

We fight fires of pain
For saving face
Dreaming of a yesterday
Oh, to the edge of fate

No celebration
Dreaming of a yesterday
Oh, I wish I could've said
Wish I could've said something
Dreaming of a yesterday
Feel it slip away
Slip away, slip away, slip away, slip away
