

Get Up

Jordan Rakei

How much longer can I take this
As I know wish for that scheme
All the pain and suffering
Pulling me down deep within

But I just feel so much grieve
Over love that was so greed

At nighttime, toss and turn
Oh, how this feeling hurts
I've taken too much pain
But I'm the one who sieve[?] the pain

But I just feel so much grieve
Over love that was so greed

Get up, get on up
Get up, get on up
Get up, get on up
Get up, get on up
Get up, up
Get, get on up

But I just feel so much grieve
Over love that was so greed
