

# Selfish

Jordan Rakei

So what am I supposed to do?  
When I'm doing things that ain't good for you  
So what am I supposed to say?  
When I try so hard but it feels the same  
Said this growing love wont grow  
If you don't let me lead myself  
Said this growing love won't show  
Oh cause it's right now ain't good for my health, my health

Cause you're selfish caught in the mood tonight  
And you're always thinking 'bout you  
And you're selfish conceited by your own right  
Yeah, baby it's my point of view, yeah, yeah

See her days quickly gone  
All her problems left it long alone  
Still I feel like nothing's changed  
She wants to move it in the fast lane, in the fast lane

Cause you're selfish caught in the mood tonight  
And you're always thinking 'bout you  
And you're selfish conceited by your own right  
Yeah, baby it's my point of view, yeah, yeah
