

# Box

Jordan Smith

Come out of your box, go ahead and see all that you are 'cause  
No one can be like, you  
No one can be like, you

I don't know you, you don't know me  
I can be crazy, you can be a freak  
There ain't no guarantee we like who we meet  
You got your flaws and I got mistakes  
Everyone's hood and everyone's fake  
That ain't no place to be hiding underneath  
You can live with our lights on, feels so safe and sound  
Aye aye aye, aye aye aye  
But that's not what life's about, even love's a doubt  
Aye aye aye  
So if you understand what I'm saying now

Come out of your box, go ahead and see all that you are  
'Cause no one can be like you, you  
Come out of your box, go where your free show 'em who you are  
'Cause no one can be like you, you  
We don't need to be perfect; we don't need to be perfect  
So come out of your box, out of your box

I don't own you, you don't own me  
We could be amazing with no apologies  
There ain't no guarantee, we'll always agree  
You got your flaws and I got mistakes  
Everyone's hood and everyone's fake that ain't no place to be  
Hiding underneath  
'Cause that's not what life's about even love's a doubt  
Aye aye aye  
So if you understand what I'm feeling now

Come out of your box, go ahead and see, all that you are  
'Cause no one can be like you, (no one can be like...) you  
Come out of your box, go where you're free  
Show 'em who you are 'cause no one can be like  
You, (yeah) you  
We don't need to be perfect  
We don't need to be perfect  
So come out of your box  
We don't need to be perfect  
We don't need to be perfect  
So come out of your box, out of your box

Ye-yo, ye-yo, ye-yo, ye-yo, ye-yo, ye-yo  
So come out of your box, out of your box  
Ye-yo, ye-yo, ye-yo, ye-yo, ye-yo, ye-yo  
Ooooh  
So if you understand what I'm saying now

Come out of your box, go ahead and see all that you are  
'Cause no one can be like you, you  
(No one can be like...)  
Come out of your box; go where you're free, show 'em who you are  
'Cause no one can be like you, (They can be like you) you  
We don't need to be perfect; we don't need to be perfect

So come out of your box  
We don't need to be perfect; we don't need to be perfect  
So come out of your box, out of your box

Come out of your box, go ahead and see all that you are  
'Cause no one can be like you
