

Don't Quit

Jordan Smith

Let's be real
'Cause I'm tired of hiding everything I feel
Let's be honest
Do you really wanna hear what I'm about to reveal?

I'm angry
I'm afraid
Afraid that God won't look at me the same
And I'm desperate
I've gotta know
That I'm not the only one who feels this way

Kings feel it
Beggars and thieves feel it
That down on my knees feeling
You wanna give up
You wanna shut down
You wanna let go
You wanna check out

Don't you, don't you
Don't you, don't you
Don't you, don't you
Don't you quit

Dig deep
Gonna walk through muddy waters
Even if it's just to see

I'm human
I'm afraid
Afraid that God won't look at me the same
And I'm desperate
I've gotta know
That I'm not the only one who feels this way

Kings feel it
Beggars and thieves feel it
That down on my knees feeling
You wanna give up
You wanna shut down
You wanna let go
You wanna check out

Don't you, don't you
Don't you, don't you
Don't you, don't you
Don't you quit

Don't you, don't you
Don't you, don't you
Don't you, don't you
Don't you quit

Take this cup from me
Even the King of Kings
Fell to His knees and He cried

Take this cup from me
Even the Perfect One
Was desperate to be free when He cried
Take this cup from me
Even the King of Kings
Felt it just like me

Kings feel it
Beggars and thieves feel it
That down on my knees feeling
You wanna give up
You wanna shut down
You wanna let go
You wanna check out

Don't you, don't you
Don't you, don't you
Don't you, don't you
Don't you quit

Don't you, don't you
Don't you, don't you
Don't you, don't you
Don't you quit

Don't you, don't you
Don't you, don't you
Don't you, don't you
Don't you quit
