

# Please

Jordan Smith

Yeah, yeah, yeah, yeah  
Oh, no

I'll be here when you get home  
Not blowing up your phone  
Not gonna ask you where you go  
I'm lying to myself 'cause I know  
You're making it so hard for me baby  
To think you know somebody that much  
And I don't wanna believe it  
So it's hard for me to see it

And if I said the words  
I'd just make it worse  
Nobody shows you the meaning of love  
So you just give it away  
Give it away  
Give it away  
And you don't stop

Oh baby please, please, please  
Don't leave me all empty  
Don't make me lose ya  
'Cause I can't refuse ya  
But I can't keep on watching you go

Oh baby please, please, please  
Don't leave me all empty  
Don't make me lose ya  
'Cause I can't refuse ya  
But I can't keep on watching you go

Used to waking up all alone  
At 3AM your cover's blown  
I keep on trying to make it work  
I think you like it when it hurts  
You're making it impossible baby  
The only one who ever had my trust  
Go and get it if you need it  
I'll be here picking up the pieces

And if I said the words  
I'd just make it worse  
Nobody shows you the meaning of love  
So you just give it away  
Give it away  
Give it away  
And you don't stop

Oh baby please, please, please  
Don't leave me all empty  
Don't make me lose ya  
'Cause I can't refuse ya  
But I can't keep on watching you go

Oh baby please, please, please  
Don't leave me all empty

Don't make me lose ya  
'Cause I can't refuse ya  
But I can't keep on watching you go
